Jesus

Poor Jesus. Will our hero ever find his place on this earth? The world could not be more painfully absurd to this straight-man. Maybe it's his impressionability and naiveté that have him fall victim so often.

Buddha

Buddha has not a worry in the world—not even those damn creditors! His Zen-like (sometimes chemically-induced) state has brought about a total disregard for responsibility. Enough about that. Who wants a banana daiquiri?

ganeshk

Half man, half pachyderm, 100% dick. Ganesh is as socially-abrasive as his leathery skin. Powered by raw emotion, his antics pose a liability to himself and everyone around him. Get him on your side though and he might just take a bullet for you.

MISSY

Missy is the daughter of playboy diplomat Zeus. She grew up fast, having lived all over the world. These days, revered by all the cool kids, she appears to have it all. She's bored though and needs some overhauling in her life.
